NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,
Admiralty,

London, S.W. 1.

mentioning the ship or page affected.

Such communications should not be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List:—

Officers on the Retired List who have commuted their Retired pay.

Officers retired with a gratuity.

Officers of the late Royal Naval Artillery Volunteers.

Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

O. MURRAY.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1928-9 of the King's Regulations and Admiralty Instructions of 1913.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(a) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(b) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(c) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(d) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships

Admiralty.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE, UNDER THE PENSIONS COMMUTATION ACTS, 1871 TO 1882.

The following Pensions are commutable under the provisions of the Pensions Commutation Act, 1871 to 1882, subject to such restrictions as may be imposed:—

Retired Pay or Pensions of all Officers.
Officers' Pensions for wounds and disabilities.

The following are not commutable:—

Good Service Pensions.

Naval and Greenwich Hospital Pensions.

2. By the 2nd section of the Act of 1871, the term Officer means Commissioned Officer, Warrant Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

In this memorandum Pension means Retired Pay or Pension.

3. An Officer may commute the whole or part of his Pension for wounds or injuries at any time either before or after retirement subject to the proviso that, if retired, he may commute only so much thereof as will leave him with a permanent pension (including other pension, if any) of not less than £120 a year.

An applicant for commutation in receipt of a double Pension (Service and wounds) will be required to commute the Pension for wounds first.

4. (a) No Officer will be allowed to commute any portion of his Service Pension until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service.

2219 HALF AND RETIRED PAY OF THE ROYAL NAVY.

(b) (i) No Officer will be allowed to commute more than half of a Service Pension of £300 or over.

(ii) No Officer will be allowed to commute so much of a Service Pension of between £180 and £300 as would reduce it below £160.

(iii) An Officer whose Service Pension is less than £180 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(c) In commuting a Pension or any portion thereof, there shall be charged a fee of one per cent. on the amount awarded, provided that such fee shall never be less than £1, nor more than £10 in each case.

5. An Officer desirous of commuting a part of his Pension must make application in writing to the Secretary to the Admiralty, stating his desire to commute, his date of birth, and his rank, and the amount of his Retired Pay; and he must specify either the portion he wishes to commute or the capital sum he wishes to realise.

6. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Commutation Board, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board of the Treasury.

7. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the office of the Board, 19, Old Jewry, London, E.C.3, but persons abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of His Majesty's Treasury, whose decision in the case will be final.

8. In the event of an applicant not taking steps to complete the necessary forms, or failing to attend for medical examination when called upon to do so within seven months of an application being received by the Pensions Commutation Board, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

9. The basis of the commutation will be the following table subject to the addition of years of age in the case of impeded lives, and a deduction of years of age as an equivalent for the right to prospective increase of pension, if such right shall exist:—

10. Applicants for commutation will continue to draw the pension which they have applied to commute until the date upon which the Warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty, whichever is the earlier.

The amount of money to be paid in commutation will be fixed by the Treasury on the recommendation of the Commutation Board. The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £2 within 30 days after receiving that notice, but if the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury, and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

11. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the case of persons reported for neglect or desertion of family; of persons under stoppage of Pension by bankruptcy orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

1. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his Pension or value thereof, and to imprisonment, or fine, or both.

2. The Widows of Officers who commute will be entitled to Pensions according to the usual scale, provided:—

- (a) That they married before date of commutation.
- (b) That their husbands' names were on the List of the Navy at the time of death.
- (c) That they are otherwise eligible for Pensions.

3. The Children of Officers who commute will be entitled to Compassionate Allowances according to the usual scale, provided:—

- (a) That they were born before date of commutation.
- (b) Their fathers' names were on the List of the Navy at the time of death.
- (c) That they are otherwise eligible for Compassionate Allowances.

4. The Pensions to Widows of Officers who marry after commutation, and the Compassionate Allowance to children born after commutation, will be reduced in proportion to the decrease caused in the Pension of the Officer by such commutation.

5. The claims of Officers to be awarded Naval, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

6. Retention of the names of Naval and Marine Officers who have already commuted the whole of their Pension on the List of Commissioned Officers will depend upon their reporting to the Secretary of the Admiralty, in writing, annually, between 1st January and 31st March, the fact of their being alive.

7. The retention in the Army List of the names of Marine Officers who have already commuted the whole of their Pension will depend upon their reporting themselves, in writing, half yearly, to the Secretary of the War Office, Whitehall.

8. Officers who have already commuted the whole of their Pension are not eligible as Patients in Naval Hospitals, but partial commutation does not prevent admission as such.

By Command of Their Lordships,
Admiralty, 31st July, 1920. O. MURRAY.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 2233, 2274.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3a. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis, shall be super-numerary to the Established Lists whilst so employed.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5 (a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(b) An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commu-

tation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(c) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(d) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(e) Sub-Lieutenants of all Branches, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (a) may be awarded gratuities not exceeding 60*l.* for each year's service in these ranks, or 250*l.* in all.

(f) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such compassionate allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

(g) Commissioned Officers from Warrant Rank, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Pension List under Clause (a) may be awarded such reduced rates of pension as the Admiralty may in each case determine.

(h) Nothing in these provisions shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

3a. An Officer holding an important administrative post, who would ordinarily be retired on promotion to the rank of Rear-Admiral, may, at Admiralty discretion, be retained on the Active List on promotion to Flag rank, but shall be compulsorily retired on relinquishing his appointment, and while on the Active List he shall be borne supernumerary to the numbers allowed.

§ XIX.—MANNER OF WEARING DECORATIONS, ORDERS, AND MEDALS.

Knights Grand Cross and Knights Grand Commanders

167. The insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress, and when so ordered with white undress. With full dress the Ribbon should be worn under the epaulette and sword belt; with white undress under the shoulder strap, and with ball dress under the coat and over the waistcoat. One ribbon and badge only is to be worn, and this is to be the senior ribbon and badge, unless a junior should appear to be more appropriate to the occasion. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide.

2. With frock coat and epaulettes the Star of the order only is to be worn. With frock coat the Star may be worn at discretion.

3. With white undress (except when decorations are ordered to be worn) and with other uniform coats, except full dress, ball dress, mess dress, and mess undress, the ribbon of a Companion of the Order is to be worn; with mess dress, miniature Badges but not Stars are to be worn in Hen, and with mess undress, Ribbons of miniatures.

The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the insignia of more than one Order be so worn, one ribbon and badge only is worn round the neck as described above. With full dress the ribbon and badge so worn is the senior, unless a junior appears to be more appropriate to the occasion; the other badges are worn one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With white undress the senior badge is worn round the neck unless a junior appears to be more appropriate to the occasion; the other badges emerge from between the buttons of the coat as in full dress, but commencing one inch below the senior badge. With ball dress, the senior badge only is worn round the neck, unless a junior badge should appear to be more appropriate to the occasion. All badges are worn on the breast in miniature.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With white undress, except when decorations are ordered to be worn, and with other uniform coats, except full dress and ball dress, the rule laid down in clauses 2 and 3 are to be observed.

* Specimen Uniforms may be seen at the Admiralty Pattern Rooms, Broadway, Westminster, S.W.

* These orders are not worn in miniature.

‡ The ribbons of these orders are not worn with Undress Uniform.

† Order of Merit comes immediately after G.C.B.: It is not worn in miniature, but is to be worn round the neck on all occasions, except with Undress Uniform.

‡ The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902.

‡ If more than one of these medals is awarded for the same act of gallantry, only one medal may be worn, viz., that which appears highest in the list.

The above order of Decorations applies to those of similar grades. When the miniature or ribbon of a higher grade of a junior Order is worn with the miniature or ribbon of a lower grade of a senior Order the higher grade miniature or ribbon should come first, e.g., the miniature or ribbon of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

- b. *Foreign Orders*.—In order of date.
- c. *Foreign Decorations*.—In order of date.
- d. *Foreign Medals*.—In order of date.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Bar for Decorations, &c.

11. The several Decorations, Badges and Medals, are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing with the end furthest from the shoulder.

On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap the highest shewing in full. With ball dress and mess dress the bar is to go over the lapel if necessary, but not beyond.

Ribbons when Decorations are worn.

12. When Decorations, Orders and Medals are worn, the Medal ribbons are to be of the following lengths:—

Full size	..	..	..	1½ inch
Miniature	..	..	..	1½ inch

Ribbons of these lengths carry 4 clasps. If more than 4 clasps are worn the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp in the case of full-sized medals, and ½ of an inch in the case of miniatures, the remaining ribbons being so regulated that the centres of the medals are in line with the centre of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer, be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing with the lower edge of the frame each ribbon runs over the upper

edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

In Undress Uniform no Badge of an Order will be worn round the neck.

The ribbon of a decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Ribbons when Decorations, &c., are not worn.

13. When Decorations, Orders and Medals are not worn, the ribbons worn are to be of the following lengths:—

Full size	..	..	..	½ inch
Miniature	..	..	..	½ inch

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ½ inch intervening between the rows.

Ribbons of Orders and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniature Decorations, Badges and Medals.

14. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear on the bar, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong. Only one set of miniatures need be maintained. The miniature of companionship will not be removed when the ribbon or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc.

Decorations, &c., may be worn with plain dress.

15. Orders, miniature Decorations and Medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroy, and of Governors-General, and on public and official occasions.

Retired Officers.

16. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

(The half stripe, however, is a single straight line of one-eighth inch gold lace.)

Afloat they will always be worn for guards and divisions when No. 1 dress is ordered, and in all orders of dress if ordered. On service abroad the helmet will take the place of the cap when ordered. The front plate of the helmet is for use on all occasions when the helmet is worn, except on active service, when the plate will be removed at the discretion of the Senior Officer. The metal ball is to be worn when serving on shore at home. The white zinc top is for use on all stations whilst serving afloat; this top may, however, be replaced by the metal ball for men serving on Guards of Honour to Royal Personages, or on other special occasions at the discretion of the Commander-in-Chief or senior Officer, and will be replaced by metal ball when landed for duty at home, e.g., funerals and ceremonial occasions. The buckle of leather chin strap is worn on right cheek and the strap is always worn on duty, but not on leave or by working parties or postmen unless specially ordered. When the helmet is worn, the cap may be packed in the canvas bag, kit bag or pack, or carried in the haversack, as ordered.

2. *Equipment*.—The buff belt (and frog) will be used for all ceremonial occasions and leave. When the buff pouch is worn, it will be in centre of back for ceremonial and drill, and on right side when ammunition is carried.

3. *Great coats*.—The waist belt will be worn underneath the great coat when off duty and when walking out.

3a. *Gloves* will only be worn on duty in cold weather. Sergeants and above, may have the option of wearing brown leather gloves for walking out. Band Or. Sgts. and Band Sgts. may also wear such gloves on duty.

4. *Mourning*.—If men, for private reasons, are desirous of wearing mourning, they may cover the third button of tunic or second of serge tunic with crape.

5. *Sergeants' Sashes* will be worn in No. 1 and No. 6 dress and orderly duty, and in walking-out dress; they will not be worn outside the great coat.

6. *Whistles* are to be carried by Sergeants and Corporals, in Marching Order, Infantry Drills and Manœuvres.

7. *GUARDS AND SENTRIES AFLOAT*—(a) *Guards of Honour and when Royal Salutes are to be given* (with out regard to the dress of the day).—No. 1 or No. 4. (b) *Ordinary Guards on other occasions*.—No. 2, No. 3, or No. 6 (or the dress of the day when that is No. 1, No. 2, or No. 7). *Sunday Routine*.—See note 12. (c) *At Sea or between decks*.—No. 8 or No. 9, with side arms (except in dynamo flats). (d) *Sentries when coaling Ship*.—No. 8 or 9 with side arms.

8. *Band*.—The musicians' dress will correspond to that worn by other Marines and be similar to the Guard when parading with them. The cross belt and pouch will always be worn when landed for drill, parading with guard, or No. 1 or No. 6 dress when on duty.

9. *Naval Piqueets or Patrols*.—No. 2, with puttees, frogs, etc., as ordered for Seamen, without side arms.

10. *W.R.O. Servants* when sent on shore on duty for their masters are to wear the dress specially laid down for Marine Servants, page 2326.

Short canes are to be carried when walking out. Bundles are not to be carried in the streets; when it is necessary to take a few things on shore, the haversack, kit bag or pack may be utilised, or a small neat parcel be carried.

12. *Sunday Routine*.—When in cloth clothing, sentries may be worn at the conclusion of Divine Service, except Guards and Dutymen, who remain in the dress of the day till sunset.

13. *Postmen* are to be properly dressed in No. 1, 6, or 8 dress without belts. (Home Naval Ports No. 2 dress.) It is permissible to wear black gaiters in bad weather.

NOTES TO DRESS REGULATIONS FOR SHIPS' COMPANIES.

1. By the word *collar* in seamen's dress is to be understood the detached blue jean collar.

2. *Neck-handkerchiefs* are always to be worn except by men employed coaling or re-fitting. They are to be tied behind the collar, the right in front being confined by the strings, which, having been first tied together, are to be tied tightly in a bow over the handkerchief, leaving a right about 3 inches long. The handkerchief should thus be firmly secured to the jumper.

3. *Knife lanyards* with *knives* attached are to be worn by all men wearing seamen's dress.

4. *Caps* are always to be worn, except as shown in paragraph 6. Blue caps to be worn with blue clothing, except as shown in paragraphs 5 and 6.

5. *White caps or cap covers* are to be worn with white clothing. They are also to be worn with blue clothing.

(a) At home. From 1st May to 30th September inclusive.

(b) Aboard. At the discretion of the Senior Naval Officer present.

6. *Sun Helmets* are to be worn on Foreign Stations by all ratings, when ordered by the Senior Naval Officer present.

Ratings dressed as seamen are to wear cap ribbons on their helmets. All other ratings are to wear the helmet without ribbon or puggaree.

Both caps and helmets are to be worn square on the head.

7. *Ribbons* on caps and sun helmets are to be worn with the name straight in front, and tied in a bow over the left ear, in such a manner that the centre of the lettering on the ribbon is over the nose.

The ends of the bow are to be of equal length, not exceeding 2 inches in length.

8. *Jerseys* are to be worn with blue clothing, and with white working dress during cold weather, as directed by the Senior Naval Officer present. [*In England, when once commenced, jerseys should be continued to be worn until about the beginning of April.*]*

9. *Comforters* may be worn in exceptionally cold and raw weather and during night watches when blue worsted gloves and mitts may be worn. In the daytime comforters are only to be worn when specially ordered, except that individuals may be permitted to wear them temporarily on the Medical Officers' recommendation. They are to be worn as follows: One turn round the throat, and a half hitch, the ends being tucked inside the jumper and trousers.

10. *Overcoats* may be worn by men on duty or leave in cold or wet weather, the Blue Jean collar being worn inside.

Petty Officers and Leading Seamen, and equivalent ratings, are to wear their badge of rating embroidered in red on their overcoats. No other badges are to be worn.

Coastguard men who are in possession of flushing jackets may continue to wear them in lieu of overcoats until worn-out.

11. All jumpers are to be cut down 11 inches, the tapes being rove through a becket 1 inch up from bottom of opening.

The junction of the sleeve with the body is to be at the point of the shoulder.

12. *Boots or shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

Brown canvas shoes, of approved pattern, may be worn on board at the Captain's discretion.

13. *Cycling dress*.—Men cycling on duty are to wear the Service Brown gaiter (to be supplied to them on loan).

* Discretionary power is given to the Captains of Boys' Training Establishments on this point.

† The patterns of jumpers hitherto in force may continue to be worn pending further orders.

14. *Mourning*.—If men desire to wear mourning for private reasons, they are to be allowed to wear a band of black crape, 2 inches wide, and of double thickness, round the left arm, midway between the point of the shoulder and the point of the elbow.

Distinctive badges denoting special qualifications or duties are to be worn by them on each side of the collar of the long jacket.

They will not wear good conduct badges.

Engine Room Artificers will not wear any badges. Petty Officers and Men are to wear the badges denoting rating and good conduct, and special qualifications to which they are entitled, as hereinafter described.

Badges denoting rating are to be worn on the left arm, and those indicating special qualifications or duties on the right arm, in the position described in sketch.

Shipwrights 5th Class are allowed to wear gold collar distinction badges.

The Crown, as the emblem of authority, is combined with all Petty Officers' and Instructors' badges—as well as the badges for Regulating Branch.

Distinguishing Badges.—General Remarks.

A star above the badge in every case indicates a man of superior qualifications, and another star below denotes that the man has passed for and is performing certain special duties.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges, and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being given an Instruction Rating etc., the badge already in his possession can easily be altered.

WEARING OF MEDALS.

Medals are to be worn at Inspections, on Sundays, on occasions of ceremony when No. 1 dress is worn. Medal ribbons may be worn on other occasions.

Medals and ribbons are to be worn on the left breast, in a line 2 inches below the point of the shoulder. The ribbons of medals are to be $1\frac{1}{2}$ inches long, unless the number of clasps requires them to be longer, in which case there is to be $\frac{1}{2}$ inch of ribbon between the top edge of the ribbon and the highest clasp, other ribbons being so regulated that the centres of decorations are in line with the centre of the medal having the largest number of clasps. When the number of medals worn is three or more, the medals are to overlap, the highest one being in full.

Owing to the increased length of ribbon to cover the clasps, it is advisable that the ribbons of medals should be stitched together low down.

Medals are to be worn on a removable bar, which is to be provided at the expense of the wearer. The bar may be any metal or material, provided the bar and buckle are wholly concealed by the ribbons. A cloth attachment should be sewn on the jackets and jumpers so that the bar can be easily fastened.

Medal ribbons when worn alone are to be only $\frac{1}{2}$ inch in length and sewn on a cloth attachment close together. When the number of ribbons worn is such that there is insufficient space to accommodate them in one row, they are to be arranged in two or more rows, with an interval of a $\frac{1}{2}$ inch between each row.

Medals are to be worn "obverse" outwards, commencing with the end farthest from the shoulder:—

British decorations in order of seniority. (See Article 167 of King's Regulations.)

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1820 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1820 to 1855, consists of a prize of instruments or books of a professional character and of practical use to a Naval Officer. It is bestowed annually on the Midshipman who passes the best examination in Navigation and Logage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907 to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £50. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest in the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., G.C.M., who died on 20th August, 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about £800. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Surgeon Lieutenant-Commander, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers.

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

The Shadwell Testimonial Prize, founded in 1868, in memory of the late Admiral Sir Charles F. A. Shadwell, K.C.B., who died 1st March, 1886, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calendar year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1889.

THE RYDER MEMORIAL FUND AND PRIZE.

The Ryder Memorial Fund—founded in memory of the late Admiral of the Fleet, Sir Alfred Philipps Ryder, K.C.B., who died on the 30th April, 1888—consists of a sum of about £600, invested in Government securities.

The dividend arising from this sum is employed annually in the provision of a prize of a book or books, to be awarded to the Lieutenant who takes the first place in French at the annual examinations in foreign languages, a colloquial knowledge of the language being necessary to render a candidate eligible for the award of the prize.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING
AT THE ROYAL NAVAL COLLEGE AT
DARTMOUTH, AND ON BOARD THE
TRAINING SHIP.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together, but after passing for the rank of Lieutenant, or at an earlier stage, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or other special duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £25 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of £75 mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September.

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* para. 7) and a Qualifying Examination in educational subjects (*vide* para. 8).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

Travelling and other expenses incurred in connection with interview and medical examination cannot be recovered from the Admiralty.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. Details of the physical requirements of Candidates are shown on page 233. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will be once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 at the first entry.

(2) The remission of fees at Dartmouth.

(3) The remission of private allowance at the Training Ship.

In cases where the above conditions are fulfilled by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive Educational Allowances.

11. Naval Cadets will undergo a course of instruction at the R.N. College, Dartmouth, for a period of rather less than four years. This period will include eleven terms. On passing out of Dartmouth they will continue their training for a period on board a Special Training Ship and will then be sent to the sea-going Fleet as Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the College:—

16th Jan. to 8th Apr. Four weeks at Christmas.
6th May to 4th Aug. Four weeks at Easter.
22nd Sept. to 21st Dec. Seven weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets while at the Royal Naval College, Dartmouth, and on board the Training Ship, shall be subject to the Regulations for the time being in force respecting Cadets.

15. For all Cadets entering under these regulations payment will be at the rate of £75 per annum for the period under training at the College, to be paid in sums of £25 every term in advance to the Cashier of the Bank of England on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion subsequent to November, 1915, a number not exceeding 25 per cent. of the entries, with respect to whom the annual payment will be £40 only (to be paid in sums of £13 6s. 8d. every term in advance). A proportion of those admitted at the reduced scale will be sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, the reduced scale being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scale will be allowed only in cases where the peculiar circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. Forms of application for admission at the reduced scale will be issued in respect of all candidates who are selected* after interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible to such parents as desire to make application for the reduced scale.

* Parents abroad will, however, be furnished with forms of application, prior to this selection if they so desire.

Claims may be made upon the Parents or Guardians by the Accountant-General of the Navy or the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the College, except in the case of Cadet Captains, who receive a small weekly allowance. The pay of Cadets in the Training Ship is 1s. a day, and that of Midshipmen is 5s. a day.

18. The fees specified in paragraph 15 will cease on the Cadet joining the Training Ship. Parents or Guardians will then be required to make the Cadet a private allowance of £50 a year until he reaches the rank of Midshipman. Private allowance will be claimed periodically in advance by the Accountant-General of the Navy.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Instructions to Cadets joining the College for the first time will be sent by the Commanding Officer. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

27. Letters relative to the Cadets should be addressed to:—*"The Commanding Officer, Royal Naval College, Dartmouth,"* or *"The Commanding Officer, H.M.S. ———,"* and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Training Ship without delay.

28. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.
Physics and Chemistry.
Mechanics, and applied Mechanics with laboratory work.
Applied Electricity, with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship, with Gunnery in the Training Cruiser.
Navigation.
French or German.
English Grammar and Composition.
English Literature.
History, including Naval History.
Geography.
Bible Study.
Drill and Physical Training.

A proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the College, and also in the Training Ship.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination, and marks are also awarded for Officer-like qualities.

First, Second and Third Classes will be awarded, and the class obtained in passing out when the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Ship which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	$\frac{1}{2}$ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

- (1) They fail to reach a satisfactory standard, or
- (2) Their conduct is unsatisfactory, or
- (3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Ship, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

O. MURRAY,

Admiralty, April, 1921.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1918, UNTIL FURTHER NOTICE.

1. The number of Naval Cadetships offered for competition under the following regulations will be notified in the Press from time to time.

2. At the examination in June, 1921, Candidates for admission must be not more than 18½ nor less than 17½ years of age on the 1st of July, 1921. No nomination is required. Applications should be made to the Secretary of the Admiralty, Whitehall, W. 1, not later than the 1st April, 1921. A form of application to be filled in by the Parent or Guardian of the Candidate may be obtained from the Admiralty.

3. Candidates must be of pure European descent and the sons either of natural born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each Candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy. Travelling and other expenses incurred in connection with interview and Medical examination cannot be recovered from the Admiralty.

A Candidate who has passed the medical test for the Royal Air Force, within a period of 6 months before his appearance for interview, will not be required to undergo further medical examination. Such candidates will be required to produce an Official Certificate of the result of the Royal Air Force examination.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station, the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix III. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. 1.

By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to Supplementary first appointments in the Royal Marines, in which case he must express definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for Supplementary first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive the Education Allowance authorised by the Order in Council of the 29th February, 1916.

9. Successful candidates will be appointed as Cadets to undergo a course of training for a period of 1 year.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets.

On completing this course, and passing out satisfactorily they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Osborne, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about 6 months more on attaining the rank of Lieutenant.

10. On attaining the rank of Lieutenant the Officers entered under the Special Entry Scheme will come under the same regulations in regard to promotion as the Officers entered through Osborne, and will have exactly the same opportunities for advancement to the highest ranks.

The difference in age in the early ranks between these Officers and the Osborne entries will not militate against the prospects of promotion of the former, and, as promotion to the ranks of Commander and Captain is by selection, on merit, a special entry Officer who receives early promotion would reduce or overtake this difference in age.

11. After reaching commissioned rank they may volunteer for service in any one of the special branches, *i.e.*, either the Navigation, Gunnery, Torpedo, Engineering, Submarine or Signal branch.

12. Parents or Guardians are required to make a private allowance of £50 per annum to Cadets from the time they join the Naval Service until they reach the rank of Midshipman (namely, for a period of about 1 year and 6 months). On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

13. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 2s. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 10s. a day. The commencing rate of pay of a Lieutenant, reached after at most two years as Sub-Lieutenant is 17s. a day.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 10s. a day.

*Following the Army Regulations, a Candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Naval Cadetship.

14. The Parent or Guardian of every Cadet is required to provide an outfit under the Regulations in force. A list of the outfit required under present Regulations is contained in Appendix II. The outfit costs about £85. Additional uniform required on being rated Midshipman is estimated to cost about £20.

15. All travelling expenses for Cadets will be advanced by the Paymaster, but will be charged to the Cadet.

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of the Commanding Officer.

16. Parents or Guardians of a Cadet must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Training Cruiser or Establishment.

17. A Cadet may be required to be withdrawn at any time if in the opinion of the Lords Commissioners of the Admiralty—

- (1) he fails to reach a satisfactory standard, or
- (2) his conduct is unsatisfactory, or
- (3) he is considered unsuitable for the Naval Service.

By command of Their Lordships, O. MURRAY.

APPENDIX I.—PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships at the Royal Naval College, Osborne, must possess full normal vision, viz., 6/6, and be able to read D-0.6, as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify. For Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D-0.6 of Snellen's test types. Candidates for Special Entry Cadetships must possess full normal vision in one eye, viz., 6/6; and not less than 6/12, without glasses. In the other, the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below 6/6 in one eye, and 6/12 in the other, except that

Officers may be allowed to remain in the Service for Engine Room duties only, if they elect to specialize so long as their eyesight is not below 6/9 in one eye, and 6/12 in the other. A Candidate who has passed the Medical Test for the Royal Air Force, within a period of 6 months before the date of the Official Medical examination for the Royal Navy will not be required to undergo further medical examination.

5. Impaired hearing or discharge from one or both ears or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose or of its cartilages, nasal polypus, or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate or tonsils, many unsound teeth, unhealthy gums, disease of the glands of the throat or neck, external cicatrices if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptom of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele when it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty, e.g., when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

No person will be admitted into His Majesty's Service unless he has been vaccinated. Re-vaccination will also be required if considered necessary.

† i.e.—Seven teeth defective or deficient in persons under 17 years of age on the date of entry, ten defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

On qualifying in the subjects of the course he will receive a commission as Temporary Instructor Lieutenant, his seniority being dated back to the date on which he received a acting appointment.

3. Any officer who fails to qualify will be discharged. After two years from the date on which he qualified, a Temporary Instructor Lieutenant may apply to be put on the permanent list; if accepted, he will receive a commission as Instructor Lieutenant with seniority as from the date of his commission as Temporary Instructor Lieutenant.

4. Any officer who is unwilling to apply for permanent service, or whose application is not accepted, will withdraw at the end of four years from the date on which he qualified, with a gratuity as laid down in paragraph 6. This period may be extended by mutual arrangement, but there will be no further increase in the gratuity.

5. During the fourth year of this period a Temporary Instructor Officer who wishes to withdraw may apply to do so, but it must be understood that Admiralty permission will depend on the requirements of the Service.

6. The Admiralty reserve the right to dispense with the services of any Temporary Instructor Officer after two or three years from the date on which he qualified, with a gratuity as laid down in paragraph 6.

7. In the event of misconduct the services of an Instructor Officer may be dispensed with at any time without gratuity.

8. In the event of withdrawal or discharge a Temporary Instructor Officer will be entitled to a gratuity on the following scale:—

After two years' service	£200
" three	300
" four	400

Time as Acting Temporary Instructor Lieutenant, while undergoing the preliminary course of instruction, will not count for this purpose.

Part of a year's service will not count for gratuity.

9. An Acting Temporary Instructor Lieutenant and a Temporary Instructor Lieutenant will wear the uniform of an Instructor Lieutenant, but the former will only have to provide himself with that necessary for dresses No. 5 and 7 and the latter with that for Nos. 4, 5, 6, and 7, as laid down in the uniform regulations. If sent to a hot climate, a Temporary Officer will also have to provide himself with that necessary for dresses No. 8, 9, and 10.

DUTIES.

1. An Instructor Officer on being appointed to a ship will be responsible to the Commanding Officer for all scholastic instruction of both officers and men. In ships where an Instructor Officer is borne, the Chaplain will cease therefore to be responsible for the educational training of ratings and for the supervision of officers of the Schoolmaster Branch, these duties being transferred to the Instructor Officer.

In addition to assisting the Specialist Officers in the instruction of Midshipmen in certain parts of their professional subjects, the Instructor Officer will be available to assist young Lieutenants who desire to specialise in any branch of their pro-

fession; to give such lectures and instruction as the Commanding Officer may think desirable to arrange for the benefit of officers and men; and to assist with his scientific knowledge in solving any problems that may arise.

2. The Instructor Officer is to keep a journal of the scholastic educational work carried on in the ship.

3. This journal is to be a record and also a description of this work. It is to be examined and signed from time to time by the Commanding Officer, must be produced at inspections, and is to be sent to the Admiralty at the end of each year, or when the ship pays off.

4. The Instructor Officer will have a definite place in the fighting organisation of the ship and will have an action station, which will be that for which his Commanding Officer thinks him most suitable.

5. If and when his services can be spared, an Instructor Officer may be required to undergo special courses at Greenwich or elsewhere.

6. An Instructor Officer must be prepared to serve in any part of the world to which he may be sent.

PROMOTION.

7. Subject to satisfactory record, an Instructor Lieutenant will be promoted to Instructor Lieutenant-Commander after six years as Instructor Lieutenant, and an Instructor Lieutenant-Commander will be promoted to Instructor Commander after eight years as Instructor Lieutenant-Commander.

Promotion to Instructor Captain will be by selection from Instructor Commanders.

REGULATIONS FOR ENTRY OF CANDIDATES FOR COMMISSIONS IN THE MEDICAL DEPARTMENT OF THE ROYAL NAVY.

Admiralty, May, 1914.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of his birth.

2. He must declare:—

- (1) His age and date and place of birth.
- (2) That he is of pure European descent* and the son of either natural born or naturalised British subjects.
- (3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.
- (4) That he is ready to engage for general service at home or abroad, as required.
- (5) Whether he holds, or has held, any commission or appointment in the public services.
- (6) That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.
- (7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W.1., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the Candidate himself.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (See heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Dominion or Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 3 per cent., and those who possess Certificates A and B 6 per cent. of the maximum number of marks allotted.

Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers or Men, but who have not been members of the Officers' Training Corps, will be accorded 3 per cent. credit if their services are under 1 year, and 6 per cent. if over that period.

10. A Candidate will not be allowed to compete at more than two examinations.

Regulations as to Acting Surgeon Lieutenants.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses as the Admiralty may decide. (See under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A gold medal, a silver medal and three 50 Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval Funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retire pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer in a Civil Hospital. The eligibility of the appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. Surgeon Lieutenants entered without competition will take seniority next after the last Surgeon Lieutenant entered at the same time by competition.

15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

16a. Acting Surgeon Lieutenants under training may, if they wish, provide themselves with the articles of uniform only which are required for dresses No. 6 (Undress) and No. 7 (Mess Undress) omitting white trousers, sword and belt. On receiving commissions as Surgeon Lieutenants they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

16. Candidates will be examined by the examining board in the following subjects:—

- (a) Medicine, including medical pathology and therapeutics.
- (b) Surgery, including surgical pathology and clinical surgery.

The examination will be partly written and partly practical, marks being allotted under the following scheme:—

Medicine.		Surgery.	
Paper	400	Paper	400
Clinical	400	Clinical	400
Oral	400	Oral	400
1,200		1,200	

No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

* See Clause 7 of the Regulations for Entry.

Post-graduate Instruction and Examination for the Rank of Surgeon-Commander.

1. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

- (1) A five months' course prior to advancement to Surgeon-Commander;
- (2) A second course of three months' duration for officers of any seniority.

Course (1), which is compulsory for all Surgeon-Commanders, will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Surgeon-Commander. The course is to be taken as the agencies of the Service permit, but not before an officer has the seniority of two years as a Surgeon-Commander. The courses will take place twice a year.

The subjects of study and examination will be—

Compulsory:—

- (a) Clinical Medicine and clinical Surgery.
- (b) Operative Surgery.
- (c) Anæsthetics (practical).
- (d) Ophthalmology.
- (e) Clinical pathology.
- (f) Hygiene.

Optional:—

- (g) Throat, Nose, and Ear Diseases.
- (h) Skiagraphy.
- (i) Bacteriology.

A Surgeon Lieutenant-Commander who fails to obtain a pass will be allowed a second trial, but will not have a second course of instruction. Should he again be unsuccessful, he will be compulsorily retired, with such gratuity as the Admiralty may see fit to grant up to a maximum of £1,000, but not exceeding £100 for each year's service.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeon Lieutenant-Commanders going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (2) is not compulsory, but is designed to afford officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this officer to the Medical Director-General at the close of the course. The officers attending this second course will also be accommodated at Greenwich.

REGULATIONS FOR THE RESERVE OF MEDICAL OFFICERS.

(Established under Order in Council of the 11th August, 1903.)

The special attention of Candidates is directed to the following rules under which Officers are allowed to withdraw from the Service after 4 years' full pay service in the Royal Navy, with the advantage of joining the Reserve of Naval Medical Officers—(see below).

After 4 years' service in the Royal Navy, an officer, if he wishes, may pass from Active Service to the Reserve of Naval Medical Officers, when he will reap the following advantages:—

- (i) He will be granted a gratuity of £500 on passing into the Reserve.
- (ii) His name will be retained in the Navy List; he will retain his Naval rank and be entitled to wear his Naval uniform under the Regulations applying to officers on the Retired and Reserved Lists of His Majesty's Navy.
- (iii) If he agree to remain in the Reserve for 4 years, he will receive a retaining fee of £25 per annum. If, at the expiration of this period, he agree to remain in the Reserve for a further period of 4 years, he will continue to receive the same retaining fee.

Any Officer who from residence abroad, physical disability, or for other reason, may be considered by the Admiralty to be not immediately available for Service if required, will be liable to removal from the Reserve and forfeiture of retainer.

Should an officer prefer it, however, he may simply enter the Reserve for a period not exceeding 8 years, with power to give six months' notice of his intention to resign his position at any time (in which case he will receive no retaining fee). He may also adopt this method of Reserve Service after the expiration of 4 years served under the conditions referred to in (iii), by renouncing his retaining fee for his last 4 years' service in the Reserve.

No officer will be allowed to remain in the Reserve for a longer period than 8 years.

While belonging to the Reserve, Officers must report any change of address to the Secretary of the Admiralty.

Officers of the Reserve will be liable to serve in the Royal Navy in times of war or emergency. When called up for such service they will receive the rate of pay, viz., 2s. a day and allowances, to which they would have been entitled after 4 years' service on the Active List, and an outfit allowance of £20.

- (4) That he is ready to engage for general service at home or abroad, as required;

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the candidate himself.

(6) That he is registered under the Dental Act, giving the date of his registration as a Dental Student or of his beginning professional study;

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director-General, Medical Department, Admiralty, W.1, to permit of reference to the candidate's Dental School.

4. The Dean or other responsible authority of such School will be requested by the Medical Director-General to render a confidential report as to the candidate's character, conduct, professional ability, and fitness to hold a commission in the Royal Navy.

5. The candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination, which will be held twice a year. (See heading *Examinations, Section 15.*)

7. The appointments announced for competition will be filled from the list of qualified Candidates arranged in order of merit; but should it at any time be considered expedient to grant commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than two Candidates according to requirements, specially recommended by the governing bodies of such Dominion or Colonial Dental Schools as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the candidate's Dominion or Colony or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps, will be credited at the entrance examination with additional marks as follows: Candidates in possession of Certificate A will receive 3 per cent., and those who possess Certificates A and B, 6 per cent. of the maximum number of marks allotted. Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers, or men, but who have not been members of the Officers' Training Corps will be accorded 3 per cent. credit if their services are under one year and 6 per cent. if over that period.

10. A candidate will not be allowed to compete at more than two examinations.

11. A candidate successful at the entrance examination will be appointed as Acting Surgeon-Lieutenant (D) in the Royal Navy, and will be required to pass through such courses as the Admiralty may decide. (See under the heading *Examinations*).

At the end of the courses the Acting Surgeon-Lieutenant (D) will be examined, and, after he has passed, will be given a commission as Surgeon-Lieutenant (D) in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon-Lieutenant (D) who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Haslar Course, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A Gold Medal will be awarded as a prize in connection with these examinations; and the gold medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A candidate who at the time of passing the examination for entry into the Dental Branch of the Royal Navy holds or is about to hold an appointment as Dental Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed six months. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Dental Officer in a civil hospital. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. Acting Surgeon-Lieutenants (D) under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress) (vide Quarterly Navy List), omitting white trousers, sword and belt. Course of Study and Examination for Acting Surgeon Lieutenants (D).

At the conclusion of the Haslar course an examination will be held as detailed in paragraph 11.

The seniority of Surgeon Lieutenants (D) on entry will be determined by the sum total of the marks they obtain at the London examination and the examination at the conclusion of their probationary period as Acting Surgeon Lieutenant (D). Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Dental Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Dental Officer at such civil hospital is over they will join the next "Acting Surgeon Lieutenants" (D) course and will be required to obtain qualifying marks. Surgeon Lieutenants (D) entered without competition will take seniority next after the last Surgeon Lieutenant (D) entered at the same time by competition. Particulars as to pay, retirement etc. are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

17. A Post Graduate Course of three months' duration will be allowed to Surgeon Lieutenant-Commanders (D) of over two years seniority. The Surgeon Lieutenant-Commander (D) going through this course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President, and the Dental Assistant to the Medical Director-General, Admiralty. This Course is not compulsory but is designed to afford Senior Officers the opportunity of refreshing their general knowledge of dentistry and making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or any examination, but a report will be made to the Medical Director-General by the Dental Assistant to the Director-General at the end of the course.

Under very special circumstances a Dental Officer taking this course may be allowed, by permission of the Medical Director-General to take the three months' course at the Dental Hospital outside London at which he formerly studied. If this is approved the Dean of his Dental Hospital will be asked to forward to the Medical Director-General, Admiralty, a confidential report on his abilities, and particulars of his attendance during his course.

* See Clause 7 of the Regulations for Entry.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations.

3. All candidates, including the candidates for the service nomination referred to in para. 2, will be required to present themselves before a Committee which will interview each candidate separately. The First Lord of the Admiralty will be guided by the recommendation of the Committee in his selection of candidates to whom nomination will be granted to compete at the examination for Paymaster Cadetships.

Candidates will be required to bring with them the interview certificates of good conduct from the masters of any schools at which they may have been educated during the two previous years, or, if educated at home, from their tutor or the clergyman of the parish in which they reside.

Applications to have the names of candidates placed on the list should be addressed to the Assistant Private Secretary to the First Lord of the Admiralty. Candidates must apply before the 23rd September. No applications received after this date will be entertained. Application should not be made until the candidate has reached the age of sixteen.

4. One examination for Paymaster Cadetships will be held annually—in December—under the direction of the Civil Service Commissioners (address—Burlington Gardens, London, W.).

Candidates will be required to pay a fee of 12s. to the Civil Service Commissioners before the Educational Examination.

The Civil Service Commissioners will deal with all questions connected with such Examination, and will announce the results.

No candidate will be eligible for examination who is under 17 or over 18 years of age on the 1st January following. As proof of the candidate's eligibility in point of age, a Registrar's Certificate of Birth must be produced. A certificate of baptism alone will not be accepted.

5. The number of Paymaster Cadets to be entered at each examination will be regulated by the requirements of the Service.

6. A candidate must be of pure European descent and the son either—

- (1) of natural born British subjects, or
- (2) of parents naturalised in the United Kingdom.

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

7. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy, and must be found physically fit for the Royal Navy.

They must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease, or weakness of any kind, and in all respects well developed and active in proportion to their age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to set cases in which the parent or guardian of a candidate is not satisfied with the result of the Medical Examination. This Appeal Board consists of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in a particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas payable to the Accountant-General of the Navy.

With a view to preventing candidates who may be physically unfit for his Majesty's Service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 234-5.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Medical Physical Examination.

8. Candidates if nominated will be required to forward to the Secretary of the Admiralty (C. W. French) a certificate of ability to swim.

9. Candidates will be examined in the following subjects in Class I., and must obtain such an aggregate of marks as will satisfy the Civil Service Commissioners. They will also be permitted to present themselves for examination in two other subjects under Class II.:-

Officers of these grades will hold the ranks of Lieutenant and Commissioned Officer from Warrant Rank respectively.

Senior Master.

All Candidates who at the time of their Medical examination cannot produce Certificates to the satisfaction of the Examining Officers that they have been re-vaccinated, must be re-vaccinated before they can be considered eligible for entry.

6. The Educational Examination will be held by the Civil Service Commissioners in London, Edinburgh, Aberdeen, Glasgow and Dublin, as well as at the several Dockyards, and will take place in the month of April in each year. The exact date may be ascertained by application to the Secretary, Civil Service Commission, Burlington Gardens, London, W., on or after the 1st January in each year. 8. Candidates must obtain such an aggregate of marks in the examination as a whole as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

9. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination.

Those Candidates up to the required number who obtain the greatest number of marks in the subjects named in paragraph 7 will be eligible for appointment as Apprentices, and they will be allowed to select their trades according to their position on the Examination List.

10. Apprentices will be bound by indentures to serve for five years, and no Candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the indenture for the support, &c., of the Apprentice during his apprenticeship. No lodging or maintenance for Dockyard Apprentices is provided by the Admiralty, except as stated in paragraph 12.

11. Provided their character and conduct are satisfactory, and that they have made such progress in their trades and in the educational subjects prescribed for Dockyard Apprentices as to render them efficient workmen, Apprentices will be entered as journeymen on the expiration of the probationary period following the completion of the period of apprenticeship, and after any time lost by absence has been made up; and subject to their services being satisfactory they will in ordinary circumstances be retained for a period of two years, and eventually be merged with the general body of hired workmen in the respective trades.

12. The pay of Apprentices serving in the Dockyards is as follows:—

	s. d.
First year	8 0 a week
Second year	8 0 "
Third year	10 0 "
Fourth year	14 0 "
Fifth year	20 0 "

On completion of the five years' apprenticeship, Apprentices will be entered as Probationers on a probationary rate of 80s. a week, and advancement to the full mechanics' rating and rate of wages will be at the discretion of the Local Officers according to the circumstances in each case.

War increases are paid in addition to the wages stated; the war increases at present amount to 10s. 6d. a week for apprentices under 18 years of age; 20s. 6d. a week for apprentices under 21 years of age; but under 18 years, and 33s. 6d. a week together with an increase of 12s. per cent. on time work earnings for apprentices of 21 years and over. There is, however, no assurance that the payment of the war increase will be continued either in whole or in part for any period.

13. Board Wages will be allowed to Apprentices in special cases of distress, and when the distress is due to the fathers of such Apprentices having been killed in the Naval Service, or in other service under the Admiralty or having died or been rendered unable to contribute sufficiently towards the support of their families through exposure or injuries received while on duty; when granted, board wages will make the total weekly pay not less than 10s. a week.

The details of the School Training of Apprentices and other particulars are given in the Regulations which may be obtained on application to the Secretary to the Admiralty, or to the Superintendent of one of His Majesty's Dockyards (see par. 1).

N.B.—The foregoing regulations relate primarily to apprenticeships in the shipbuilding, mechanical and electric engineering departments of the Dockyards, but will also be adhered to as far as practicable in respect to apprenticeships in the Naval Ordnance and Naval Works Departments. These regulations will be followed generally; they are issued for information only and are subject to such modifications as My Lords may from time to time consider desirable.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years' counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years except Commissioned Officers from Warrant Rank, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however,

grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Naval or Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 1st November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteered in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical or Dental Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 1st November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to:—(a) Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pensions to their widows.

(b) Lieutenants, Engineer Lieutenants and Shipwright Lieutenants promoted to the rank from Commissioned Officers from Warrant Rank or Warrant Officer.

The Widow of a Mate, Commissioned Officer from Warrant Rank, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to those ranks should her husband have had one year's service in the rank, or should his death have been attributable to the Service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of Coast Guard Station with less than one year's service (acting time, if any, included) and confirmed to the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died of wounds received in action within 7 years of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy, within 7 years of his having been first certified to be ill, or who shall have completed not less than one year's continuous service as Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the age of 45 years, and the Widow be certified as being left in necessitous circumstances and subject to the conditions laid down for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters married on or after the 10th January, 1910.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1882, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a

Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank and seniority of their husbands at the date when they were last on the Active List, except in the case of (i.) Captains who were advanced to the rank of Flag Officer whilst on the Retired List and who were Retired or Married before the 10th November, 1886, whose Widows are pensioned as the Widows of Flag Officers, and (ii.) Commissioned Officers from Warrant Rank retired after 1st April, 1896, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

The widows of Paymasters-in-Chief and Paymaster Captains who attain that rank on retirement will be awarded the same rate of Pension as widows of Paymaster Captains on the Active List.

The same rate may also be awarded to the widows of Paymaster Commanders who are still on the Active List, provided that at the time of their death they have reached the age for optional retirement, and were eligible by service for, and would in the ordinary course have been granted, the rank of Paymaster Captain on retirement.

16. Widows of Marine Officers.

(a) Officers retired before 29 June, 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(b) Officers retired after 29 June, 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of His Majesty's Army.

17. Widows and Children of Officers killed in Action. Gratuities, under the following regulations, shall be allowed, as His Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the King's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within seven years shall be considered as persons slain, viz.:—

1. To a Widow, a Gratuity equal to a year's Full Pay of the rank which her husband held at the time of his death.

2. To each Orphan (who shall not be married, nor be above the prescribed limit of age), one third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

2365 COMPASSIONATE ALLOWANCES TO CHILDREN, &c.

In the calculation of these Gratuities, the Officer's Command Money and other Full-pay Allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within seven years, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

(2) The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table, but motherless children who are not in receipt of more than 30*l.* a year from other sources may be granted allowances within a maximum of double the ordinary rates.

(3) When a Medical Officer retires, or withdraws on a gratuity, his children will have no claim to Compassionate Allowance.

20. The Allowances granted to the Sons of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

21. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

22. All persons alluded to in Article 20 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances. In the case of motherless children, however, the private income limit is 45*l.*

23. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

24. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

25. Children who were born after their Father commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

26. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

27. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within seven years after being injured, and leaves no Widow nor legitimate Child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

28. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within two years after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

29. If there be no ordinary rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the case of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

30. Widows, Children, and other relatives of Officers who may have been granted temporary Commissions, or have held acting appointments, together with relatives of Officers of the Royal Naval Reserve and Royal Naval Volunteer Reserve to be eligible for pension and allowances on the same scales as are prescribed for Officers of similar ranks holding permanent Commissions in the Royal Navy.

PENSIONS TO WIDOWS AND COMPASSIONATE ALLOWANCES TO CHILDREN OF OFFICERS. 2366

CASES ARISING OUT OF THE LATE WAR.

REGULATIONS UNDER ORDER IN COUNCIL OF 29TH FEBRUARY, 1916.

1. The following revised *regulations* apply to all cases arising out of the late war. The revised *rates* of pensions and compassionate allowance referred to in paragraphs 3, 6, 7, and 10 have effect, however, from the 1st March, 1916, only, unless otherwise indicated.

The general conditions of award previously laid down remain unchanged except where a contrary intention is definitely expressed.

2. In cases arising out of the late war, including those of Marine Officers employed on board H.M. Ships, the classification governing the award of the different Scales of Pensions and Allowances is as follows, in substitution for that shown on page 2366:—

CLASS A.—Officers killed in action, or dying from wounds received in action, whether afloat or ashore, or whose deaths result from destruction of ship, or who suffer death by drowning or other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to exposure or exertion on service, or from injuries received in and by service, so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury, or accident, not coming under Classes A or B.

3A. In the case of Marine Officers on shore strength the classification is as for the Army, *i.e.*, as follows:—

CLASS A.—Officers killed in action, or dying from wounds received in action, or from other violent death due directly and wholly to War Service.

CLASS B.—Officers who die of disease due to active operations in the field, or otherwise directly attributable to military service, or from injuries received in and by service so far as not covered by Class A.

CLASS C.—Officers who die of disease, injury or accident not coming under Classes A or B.

3. The rates of Pension for Widows of Lieutenants and Sub-Lieutenants in the Royal Navy, and other Officers of corresponding rank in the Royal Navy and Royal Marines are raised to the following amounts:—

Class A	£100 a year
Class B	£75 a year
Class C	£60 a year

4. The additional Gratuity payable in Class A cases will continue to be paid at the existing rates.

5. In the cases of Officers coming under Class C, who died during the late war without completing the minimum period of service necessary to qualify their Widows for the award of Pensions, Gratuities of not less than one year's, and not more than three years', pay will be awarded at the discretion of the Admiralty, and will be paid in each case, either in a lump sum, or in instalments, as the Admiralty may consider desirable.

6. The rates of Compassionate Allowances for the Children of Commissioned Officers of all Ranks up to and including that of Captain in the Royal Navy, or similar relative rank, are as follows:—

Class A	£24 a year
Class B	£20 a year
Class C	£16 a year

7. The rates for the Children of Flag Officers and Officers of similar relative rank are as follows:—

Class A	£30 a year
Class B	£25 a year
Class C	£20 a year

8. In cases of pecuniary need, Educational Allowances of £35 a year for boys, and £25 a year for girls, will be awarded, at the discretion of the Admiralty to the Children of Commissioned Officers

who die during the war, or are disabled through War Service, these allowances to be payable ordinarily between the ages of 13 and 18, but to be extended, if thought desirable, until the age of 21, on the recommendation of a competent Education Authority, where the education is being continued at Secondary Schools, Technical Schools, or the Universities.

9. In view of the revision in the rates of Compassionate Allowances and the institution of Educational Allowances, the existing provision for the grant of double Compassionate Allowances to motherless children is abolished, subject to the proviso that the Guardian of any child, who considers the provisions of existing Regulations more beneficial to such child, may, at the time the award is made, elect that the child should receive the benefit of existing Regulations, and that such option once exercised shall be final.

10. The following revised Regulations, provided they be more beneficial than existing Regulations, apply in cases arising out of the late war for the award of Pensions and Allowances to the Widows and Children of Commissioned Officers from Warrant Rank and Warrant Officers:—

(a) Killed in the performance of naval or military duty.

(b) Dying of wounds or injuries received in the performance of such duty, within 7 years after the receipt of the wound or injury.

(c) Dying of disease medically certified to have been contracted, or to have developed, while on active service, within 7 years of their removal from duty on account of such disease.

Widow's Pension to be £50 a year in the case of Commissioned Officers from Warrant Rank, and £45 a year in the case of Warrant Officers.

Compassionate Allowances on a scale of £8 to £14 to be awarded to the children of Commissioned Officers from Warrant Rank and Warrant Officers, and the Admiralty to have discretion to continue the allowance beyond the age of 18 in the case of boys on production of satisfactory evidence that the continuance of the allowance is needed for the purpose of enabling the boy to complete his education.

In cases where separation allowance is being paid, the above Pensions and Compassionate Allowances are payable only from the date of cessation of such separation allowance.

10a. The Widows, children and other dependants of Officers of H.M. Coast Guard are eligible for awards on the same scale as under the same condition as apply to the dependants of Officers of corresponding rank in the Royal Navy, Coast Guard Officers, promoted on retirement to the rank of Honorary Lieutenant and called up for service in the late war, will for this purpose rank as Commissioned Officers from Warrant Rank.

11. The present provision that the aggregate amount of the allowances to the family of any Officer shall not exceed:—

(a) In ordinary cases, the amount of the half-pay of his rank and seniority at the time of his death, and,

(b) In cases where the Officer's death is attributable to the Service, the sum of £100 more than the amount of the half-pay of his rank and seniority at the time of his death, to be waived, as also the provision that persons who are in receipt of £30 a year from other sources, or whose mothers have been refused Pensions on account of private income, shall be considered ineligible for Compassionate Allowances in ordinary circumstances.

12. On the death of an Officer who leaves no widow or legitimate child, under conditions such as entitle an Officer's Widow to Pension at the highest or the intermediate rate, the Admiralty has power to grant allowances as under:—

MOTHER.

The Mother may be granted an annual allowance provided that:—

- (a) The Mother is a widow, or her husband is totally incapacitated by age or infirmity, or he had permanently deserted her and ceased to support her.
- (b) She was largely dependent for support upon the deceased Officer; and
- (c) She is in distressed circumstances, and is not in receipt of Pension as an Officer's Widow or of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the Mother's pecuniary circumstances. It shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer. It shall cease in the event of the recipient remarrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her, and shall not in any case be transferable.

FATHER.

The Father may, subject to the same conditions as far as they are applicable, receive an allowance similar to that granted to a Mother, provided he is a Widower and totally incapacitated by age or infirmity.

SISTERS.

The Sister or Sisters jointly may be granted an allowance provided that:—

- (a) The Officer did not leave a Mother.
- (b) The Sister or Sisters be an orphan or orphans unmarried.
- (c) They were largely dependent on the deceased Officer.
- (d) The surviving Brothers, if any, are unable through youth, or bodily or mental infirmity, to give them support.
- (e) They are in distressed circumstances, and are not in receipt of any other charitable provision of any kind from the public.

The amount of the allowance shall be determined in each case by the Admiralty with regard to the pecuniary circumstances of the Sister or Sisters.

Not more than £50 a year shall be granted to any one Sister, and the total shall not in any case exceed the Pension which would have been awarded to the Officer's Widow, had he left one, or the annual value of the support afforded by the Officer.

Except in special cases where the Officer's Sister is shown to be unfitted by age or infirmity to earn her living, an allowance will not be granted if she is over 21 years of age, nor be continued beyond that age. It shall also cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her.

The Mother or Sisters of a deceased Officer may, however, be granted, if more advantageous to them than the allowances herein specified, the benefits of the formerly existing Regulations.

REVISED REGULATIONS UNDER ORDER IN COUNCIL OF 29th SEPTEMBER, 1917.

Extract from Orders in Council with effect from 1st April, 1917:—

WIDOWS AND OTHER RELATIVES OF OFFICERS DECEASED.

10. Pensions and gratuities to the widows, children, and relatives of deceased officers, for which provision is made in the following articles, shall not be claimed as a right, but shall be given as a reward of the officer's services, and no pension or gratuity shall be granted or continued to a widow or relative who, in the opinion of the Minister of Pensions, is unworthy of the public bounty, and it shall be in the power of the Minister of Pensions to terminate or suspend any pension that may have been granted to such persons or to provide for its administration under such conditions as he may determine, and his decision shall in any case be final.

11.—(1) The widow of an officer, including an officer of the Royal Marines employed on board His Majesty's Ships, may be granted a pension as in the second column of the Second Schedule to these Regulations if the officer (a) is killed in action, whether afloat or ashore, or suffers violent death due directly and wholly to war service, or is killed or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority, or is drowned while on duty, or whose death results from destruction of ship, or who dies within seven years from wounds or injuries so received, or (b) dies from disease certified as caused by extraordinary exposure or exertion on service within seven years after having been first removed from duty on account of such disease, or (c) dies in consequence of injuries received in the performance of duty otherwise than under (a) within seven years after having been so injured

(2) The widow of an officer of the Royal Marines on shore strength may be granted a pension as in the second column of the Second Schedule to these Regulations if the officer (a) is killed in action, or suffers violent death due directly and wholly to war service, or is killed or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority, or dies within seven years from wounds or injuries so received, or (b) dies from illness which is certified as directly traceable to fatigue, privation, or exposure incident to active operations in the field within seven years after having been first removed from duty on account of such illness, or (c) dies in consequence of injuries received in the performance of military duty otherwise than under (a) within seven years after having been so injured.

(3) The widow of an officer, including an officer of the Royal Marines, may be granted a pension as in the third column of the Second Schedule if the officer (a) dies of disease attributable to or aggravated by naval or military service other than as under sub-sections (1) (b) or (2) (b) within seven years after having been first removed from duty on account of such disease, or (b) dies of injuries attributable to naval or military service other than as under sub-sections (1) (a) or (c) or (2) (a) or (c) of this article, and not through his own serious negligence or misconduct, within seven years after having been first removed from duty on account of such injuries.

(4) The widow of an officer who dies in the circumstances referred to in sub-section (1) (a) or (2) (a) of this article may be granted a gratuity in addition to pension as in the fourth column of the Second Schedule to these Regulations; provided that, where it would be more favourable to her the amount of the gratuity shall be equal to a year's full pay of the rank which the officer held on the 31st March, 1917, and for this purpose Officer's Command Money and other full-pay allowances, except Table Money and Field Allowance, shall be included

12.—(1) The widow of an officer awarded a pension under Article 11 (1) or (2) of these Regulations may be granted a further allowance as in the fifth column of the Second Schedule to these Regulations, and a widow awarded a pension under Article 11 (3) a further allowance as in the sixth column of that schedule for each child maintained by her.

These allowances may be granted or continued up to the age of 18 in the case of sons and up to the age of 21 in the case of daughters, unless the child is otherwise provided for or married, and may be granted or further continued after the age of 18 in the case of a son who is an apprentice receiving not more than nominal wages, or is being educated at a secondary school, technical institute, or university.

(2) The above allowances may also be granted or continued after the specified ages in very special cases in which it is shown that (a) the children became afflicted during the officer's lifetime with some mental or bodily infirmity rendering them dependent upon him, and incapable of making adequate exertion for their own support; (b) that such incapacity dates from a period before the children reached the limit of age; and (c) that they are in distressed circumstances. The allowances may be granted or continued for such term as the Minister of Pensions may decide.

(3) A gratuity of one-third of the amount laid down in Article 11 (4) may be granted in addition to children's allowance for each child if the officer dies in the circumstances referred to in Article 11 (1) (a) or (2) (a).

(4) The widow of an officer awarded a pension under Article 11 may, if in pecuniary need, be granted at the discretion of the Minister of Pensions an education allowance not exceeding £35 a year for each child above the age of 9. The continuance of the allowance shall depend on the Minister being satisfied as to the education the child is receiving. It shall not be granted to a widow receiving an alternative pension under Article 13.

(5) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of whom allowances are payable, the allowances, instead of being paid to the widow, may be administered under such conditions as the Minister of Pensions may determine.

13. A Widow pensioned under the conditions set forth in Article 11 of these Regulations, who makes application and shows that she was married to the officer before the commencement of the war or of his service, whichever was the later, and that her pension together with children's allowances (if any) which she has been granted under the two preceding articles is less than one-half the alternative retired pay that might have been awarded to the deceased officer under Article 3 had he survived and been incapable of supplementing that retired pay by earnings, may be granted, in lieu of such pension and children's allowances, a pension which shall not exceed one-half of such officer's alternative retired pay.

14. The widow of an officer not eligible for pension under Article 11 may be granted a gratuity of not less than one and not more than three years' pay of the appointment held by the officer provided that:—

(a) the officer dies while on full pay, or during the war after removal from full pay from the injury or disease for which he was removed from full pay or some closely connected disease, and there is a continuous medical history of sickness; and

(b) the widow is disqualified only through the insufficiency of the officer's service for an ordinary pension under the terms of the King's Regulations and Admiralty Instructions

The amount of the gratuity within the above limits shall be at the discretion of the Minister of Pensions and may be paid in a lump sum or in

instalments as he may determine. In the event of the officer leaving motherless children, a similar grant may be made to them under such conditions as the Minister of Pensions may determine.

15. Any pension granted to the widow of an officer under these Regulations shall cease on her re-marriage; but in the event of her again becoming a widow, her pension may be restored, if she is otherwise qualified, and if in the opinion of the Minister of Pensions her pecuniary circumstances are such as to justify the restoration. Allowances for children under Article 12 may be paid after re-marriage.

16. The widow of an officer who was at the time of his death in receipt of retired pay in consequence of disablement of not less than £70 a year, but whose death does not render her eligible for a pension under Article 11 of these Regulations may, provided she was living with the officer at the time of his death, receive a pension of not more than one-half the deceased officer's retired pay on account of his disablement, and in no case at a higher rate than provided for under sub-section (3) of that article, this grant to be subject to such conditions as the Minister of Pensions may determine and to cease on re-marriage.

17.—(1) The child of an officer who has died in the circumstances set forth in Article 11 of these Regulations may be awarded a pension of £40 a year where the child is or becomes motherless, or is not or ceases to be under the control of its mother. In the event of two or more children being maintained by one person, the amount will be reduced to £35 for each of the children after the first.

(2) The grant, continuance, and administration of the pension, shall be subject to the same conditions as those set forth for children's allowances in Article 12 (1), (2), and (5).

(3) A child granted a pension under sub-section (1) of this Article shall be eligible for a gratuity under the conditions of Article 12 (3), and for an education allowance under the conditions laid down in Article 12 (4).

(4) If the officer met his death in the circumstances of Article 11 (1) (a) or (2) (a) and did not leave a widow, but daughter or daughters only, an annual allowance equal to the ordinary rate of widow's pension as laid down in the King's Regulations and Admiralty Instructions, may be granted to the daughter or daughters collectively instead of the pension under sub-section (1) above. This allowance may be continued until the daughter, or the last surviving daughter, becomes disqualified by marriage.

18. The following conditions shall apply to the grant or continuance of pensions to the relatives, other than widows and children, of deceased officers under Articles 19 and 21 below:—

(1) It shall be granted only if the officer dies in the circumstances set forth in Article 11 (1), (2) or (3) of these Regulations.

(2) It shall be granted or continued only if the pecuniary or other circumstances of the relatives are such as in the opinion of the Minister of Pensions to justify the award.

(3) It shall not, together with any other pension or similar provision from public funds, exceed the pension which has been or would have been awarded to the officer's widow under Article 11 (1), (2) or (3) and the Second Schedule to these Regulations.

(4) It shall not be transferable, except that where it is granted jointly to parents, or to two or more sisters or brothers, it may be continued, wholly or in part, to the survivors.

(5) It shall cease on marriage or re-marriage.

19. (1) A pension may be granted to the parent or parents of an officer of such an amount as the Minister of Pensions may decide, subject to the conditions of Article 18 and such other conditions as he may determine, regard being had to pre-war dependence, if any and to the age or infirmity of the parent or parents.

(2) A pension, under the same conditions, may be granted in respect of each son who has died in the circumstances set forth in Article 11, subject to the limit laid down in Article 18 (3).

20. A gratuity not exceeding the value of one year's widow's pension may be granted to the parent or parents jointly of an officer, at the discretion of the Minister of Pensions in special cases where the conditions for pensions laid down in the two preceding articles are not fulfilled.

21. (1) A pension may be granted to the sister or brother (or sisters or brothers) of an officer, provided they were wholly or partially dependent on him for support. The pension shall be of such an amount as the Minister of Pensions may decide, subject to the conditions of Article 18 and such other conditions as he may determine, and shall not be granted or continued to a brother after the age of 18, or to a sister after the age of 21, unless he or she is unfitted by age or infirmity to earn his or her living.

(2) A pension under the same conditions may be granted in respect of each brother who has died in the circumstances set forth in Article 11, subject to the limit laid down in Article 18 (3).

22. A gratuity not exceeding one-half the value of one year's widow's pension may, at the discretion of the Minister of Pensions, be granted to the sisters or brothers jointly in special cases where the conditions for pensions laid down in Articles 18 and 21 are not fulfilled.

11.—(1) A pension of £50 a year may be granted to the widow of a Chief Officer of a Coastguard Cruiser, a pension of £75 to the widow of a Commissioned Officer from Warrant Rank or Divisional Chief Officer of Coastguard, and a pension of £32 10s. a year to the widow of a Warrant Officer or officer of relative rank in the Coastguard, who (a) is killed in the performance of naval or military duty or dies of wounds or injuries received in the performance of such duty within seven years of receiving such wounds or injuries, or (b) dies of disease certified as contracted or commencing while on duty or having been aggravated by such duty within seven years after being first removed from duty on account of such disease, or from injuries attributable to service other than under (a) within seven years of receiving such injuries, provided death was not caused by the officer's serious negligence or misconduct.

(2) A gratuity in addition to pension may be granted to the widow of an officer of warrant rank who is killed in action, whether afloat or ashore, or suffers violent death due directly and wholly to war service, or is drowned while on duty, or whose death results from destruction of ship, or who dies within seven years from wounds or injuries so received, at the following rates:—(a) To the widow of a Commissioned Officer from Warrant Rank, £140; (b) to the widow of a warrant officer, £100; provided that, where it would be more favourable to her, the amount of the gratuity shall be equal to a year's full pay of the rank which the officer of warrant rank held on the 31st March, 1917, and in the calculation of this gratuity any full-pay allowances shall be included.

The Good Service Pensions of Retired Officers are subject to the general Regulations contained in the King's Regulations and Admiralty Instructions, Art. 44.

These Pensions shall not be held in addition to any other Pensions, unless it shall be a pension conferred for wounds or injuries received in the Service.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to Officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining the Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half pay of an Admiral of the Fleet.

Flag Officers in receipt of these Pensions shall be allowed to retain them after being retired; but, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a pension conferred for wounds or injuries received in the Service.

An Officer promoted in pursuance of His Majesty's pleasure to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February, 1870, Section X. para. 7, shall in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

Captains, Royal Navy, shall be eligible for the award of Good Service Pensions while on the Active List only; and shall forfeit them on promotion to be Flag Officers on the Active List.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 1*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

General Officers of Royal Marines shall be eligible for the award of Good Service Pensions whether on the Active or Retired Lists.

A General Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired, except as provided in the following clause:—

A General Officer who has held a Good Service Pension while serving as Adjutant-General and whose half or retired pay on vacating the appointment, together with the Good Service Pension, would amount to more than 650*l.* a year, shall relinquish the Good Service Pension and receive half or retired pay of 950*l.* a year.

A General Officer who has not been in receipt of a Good Service Pension while serving as Deputy Adjutant-General, and whose half or retired pay on vacating the appointment falls short of 950*l.* a year, shall be eligible for the award of a Good Service Pension, subject to the condition that, if the half or retired pay and the Good Service Pension combined be in excess of 950*l.* a year, a reduction will be made in the half or retired pay proportionate to such excess.

Officers retired from the position of Colonel Commandant or placed on the Reserve List of Colonels shall relinquish the Good Service Pension, but they are eligible for the Good Service Pensions for General Officers.

Colonels and Lieutenant-Colonels shall be eligible for the award of Good Service Pensions while on the Active List only, and shall forfeit them on promotion to be General Officers on the Active List.

Medical Officers shall be eligible for the award of Good Service Pensions, whether on the Active or Retired Lists.

A Medical Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired.

NAVAL AND GREENWICH HOSPITAL PENSIONS (OFFICERS).

Naval and Greenwich Hospital Pensions are established for the purpose of affording relief to Retired Officers; and are awarded to such Retired Officers as may be, in the opinion of the Admiralty, most deserving, provided they have served the periods of Commissioned or Warranted Time afloat, laid down in Article 1228 of the King's Regulations and Admiralty Instructions.

HIS MAJESTY THE KING has been graciously pleased to approve of the institution of a Decoration for Commissioned Officers of the Royal Naval Volunteer Reserve, under the following regulations:—

1. Volunteer Officers having 20 years' service (which need not be continuous) may be granted a decoration designated "The Volunteer Officers' Decoration." Honorary Service will not be allowed to count. The following will be allowed to reckon towards the 20 years.

- (d.) Chaplains will be eligible for the decoration, this being retrospective to the date of entry in the case of Chaplains already serving in the R.N.V.R.

2. Officers who belonged to the R.N.R., R.N.V.R. and R.N.A.S.B. on 4th August 1914, may be allowed to count mobilised time from that date to the date of demobilisation as double for the purpose of reckoning eligibility for this decoration.

3. Those serving as indicated in paragraph 2, who may subsequently have performed war service in any other branch of the Naval Forces (including that under special Naval engagements, T. 174 and its variants), or the Army or the Royal Air Force, may similarly count such war service as double time.

Decoration or Medal and have not qualified for either in respect of service during the war, may be allowed to reckon any period counted towards those decorations for the V.D. or R.N.V.R. Medal, provided the last five actual years have been served in the R.N.V.R.

Commanding Officers will forward their recommendations to the Admiral Commanding Coast Guard and Reserve, for the consideration of the Admiralty, and the decision, if awarded, will be issued from the branch of the services in which the Officer shall have served the greater portion of his last ten years of qualifying service.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part 1. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

- (a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;
- (b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.
- (c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal). If he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man

who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalidated and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity —

- (a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.
- (b.) He must have been awarded the Medal and have never forfeited it.
- (c.) He must have been recommended or the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.
- (d.) He must have been continuously awarded the character "Very Good" since he received the Medal.
- (e.) He must have completed time for Long Service Pension unless previously invalidated, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows —

Chief Petty Officers, having served as
Chief and First Class Petty Officers
(OS) or Petty Officers (NS) for not less
than 10 years £20

Petty Officers (NS) having served as such or as First Class Petty Officers (OS) for not less than 10 years ..	15
Second Class Petty Officers (OS), with 7 years' service as such, or men of leading Seaman rank with over 3 years' service as such, and 7 years' subsequent service in that capacity ..	10
Leading Seaman, having served as such for not less than five years ..	7
Able Seamen, and others ..	5

10. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as in the opinion of the Admiralty, it may be proper to award him.

11. If a man should die before receiving the Gratuity to which he may be entitled, it will be paid to his widow, or next of kin if dependent upon him, provided he shall have completed time for Long Service Pension.

12. Clauses 6, 8, and 15 to 22, of Article 751, are applicable to men who joined the Service before 1st January, 1885.

751. Men holding any of the Ratings specified as eligible for the good Conduct Medal in Appendix XV., Part 1 who entered the Service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a.) He must have served for 15 years with continuous "Very Good" character,* and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good," on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(b.) He must have been recommended for the award by his Captain on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 828 and 830, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. From the date of the award or restoration of Medal a Continuous Service Man, provided his character is maintained, will commence earning Good Conduct Gratuity at the rate of 12s. a year which is not to be paid until he completes time for Pension. If invalided before completing time for pension, he will be paid 12s. for each completed year that he has served since the Medal was awarded or restored.

For each year's service in the following ratings after the date of the award of the Medal, will be added—

To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	£ 2 0 0
.. 2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such* ..	1 0 0
.. Leading Seaman, except as above ..	0 10 0
until the maximum is reached, which will be, for—	
Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (OS) ..	£ 4 15 0
2nd Class Petty Officer (OS) and men of Leading Seaman rank, with over 3 years' service as such* ..	10 0 0
Leading Seaman, except as above ..	7 10 0
Able Seaman ..	5 0 0

8. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the man becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5s. will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 2 of this Article.

12. If a man should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible for

* In the case of Ratings who are required to pass a qualifying examination for advancement to Petty Officer, this privilege is not to apply to any time served prior to passing the examination.

ther service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1848, Clause 2, the Gratuity paid will be recovered from a Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book a reason for so doing and draw a line across the "E.M.G." column of the man's Service Certificate in the corresponding column of his Conduct Sheet (Form S.229a).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers, Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1834, Clause 4, will not be barred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty that the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuties are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S.218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

22. The foregoing regulations for the award of Good Conduct Medals and Gratuties apply to the Coast Guard Afloat and on Shore.

GOOD CONDUCT AND OTHER MEDALS AND GRATUITIES.

MARINES.

1192. Any Marine below the rank of Warrant Officer who enlisted after 31st December 1884, may be recommended for the award of a Good Conduct Medal under the following rules:—

NOTE.—This applies to Marines who were under the age of 18 on 31st December 1884.

2. To entitle a Marine to a Medal:—

a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the

31st December in any year, time reckoning for Medal will not commence until the 1st January following.

b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I. . .	2	0	0
Sergeant in Classes II., III., and IV. . .	1	0	0
Corporal and Bombardier	0	10	0

until the maximum is reached, which will be, for a—

Non-commissioned Officer in Class I. . .	15	0	0
Sergeant in Classes II., III., and IV. . .	10	0	0
Corporal and Bombardier	7	10	0
Gunner, Private, Musician and Bugler	5	0	0

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. £2, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependant upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 154.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Boat Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity, it would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to the "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 3 and 4 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Marines become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

6. Retired Officers employed as members of Committees, or on special duties under the Admiralty—
(see Article 1431 King's Regulations and Admiralty Instructions)

REGULATIONS FOR OFFICERS ON RESERVED OR RETIRED LISTS WHEN CALLED OUT OR UNDER TRAINING (Orders-in-Council, 8th March, 1895, 12th November, 1900, 16th May, 1904, 5th March, 1910, 5th July, 1911, 3rd Feb., 1915, and 15th Feb., 1916)

1. Whenever His Majesty may be pleased by His Order in Council, to call officers from the reserved or retired lists into active service in case of war or emergency, such officers shall be, in all respects, entitled to the pay and emoluments of their corresponding ranks on the active list, their retired pay being suspended. Officers promoted on, or subsequently to retirement, will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Retired List does not count for increases of full pay governed by seniority.

2. Officers on the Retired, Pension, or Reserve Lists of the Navy, when called out for service in time of war or emergency will receive a bonus of twenty-five per cent. for every pound of the full pay of their rank earned by them, exclusive of allowances. The time served will not count for increase of retired pay or pension.

2a. If, however, an Officer's retired pay exceeds the full pay of his corresponding rank on the active list, he will continue in receipt of his retired pay, and will receive a bonus of twenty-five per cent. for every pound of retired pay received during the period of re-employment, exclusive of allowances.

3. In the case of Officers who have commuted their retired pay or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity.

4. In the cases of the recall to active service of Lieutenants, Honorary Lieutenants, Carpenter Lieutenants, or Engineer Lieutenants, who were given such rank on or after being pensioned from the List of Commissioned Officers from Warrant Rank they will receive the rates of pay and allowances authorised for Officers promoted from Commissioned Officer from Warrant Rank while on the Active List, together with a bonus of 25 per cent. for every pound of the full pay earned by them of exclusive allowances.

5. In cases where a step or steps in rank have been granted automatically to Retired Officers solely by virtue of, and in strict, seniority the Officers are to take command according to their seniority on the Retired List, except that Captains retired from that rank are in no case to take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers. In other cases where Officers have received advancement on the Retired List the right of command will continue to depend upon the rank last held on the Active List.

6. Officers called from the Reserved, Retired, or Pension Lists during war or emergency may be promoted irrespective of the regulations which are in force at the time for Officers of the same class on the active list, but such special promotion will not extend to the granting of Flag rank or of any equal relative rank. It will carry with it during re-employment the emoluments of the higher rank.

7. Allowances for Equipment to Officers on Reserved or Retired Lists if employed in case of war or emergency—

When employed on combatant duties.

Flag Officers, Commodores and Officers of the same relative rank

Captains, Commanders, and Officers of the same relative rank

Lieutenant-Commanders, Lieutenants, and Officers of the same relative rank

*Sub-Lieutenants, and Officers of the same relative rank

Warrant and Subordinate Officers

When employed on non-combatant duties.

Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank

Officers of lower rank

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment equivalent to the difference between the two scales.

8. Retired Officers who may be selected to appointments in time of emergency will undergo courses of instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such courses they will receive in lieu of their retired pay, the rate of full pay (without command money), and allowances of their corresponding ranks on the Active List, unless the retired pay exceeds the full pay, in which case they are to receive their retired pay. In the cases of Officers who have commuted their retired pay or who received gratuities on discharge, deductions will be made from their full pay equal to the amount of retired pay commuted, or to the annual value of the gratuity. Such periods of training will not reckon as time for increase of full retired pay.

9. In the event of the death of an Officer employed under these regulations, from causes attributable to the service, pension and commutation allowances will be granted to his widow and children on the special scale applicable to the rank held by the Officer at the time of his death, irrespective of whether his marriage took place while on the active or retired list, always subject to the operation of the Commutation Acts of 1871 and 1880, under which a proportionate reduction must be made in the amounts of the pension or commutation allowances awarded to a widow married to a child born after the Officer has wholly or partially commuted his retired pay.—(O.-in-C., 10th August 1903.)

* Officers promoted from Commissioned Officers from Warrant Rank to Commissioned rank while called out will receive an additional £10.

9. An Officer of the Reserve who is recalled for service with the Corps will be granted an allowance of £100 in aid of outfit.

The widow or children of a Reserve Officer who dies while on service with the Corps will have the same right to pension or compassionate allowances as is accorded to the widows or children of Officers on the Active List of the Corps.

(B) Felony, nor

(C) Conduct unbecoming the character of an Officer and in respect of which a sentence of dismissal from His Majesty's Service with disgrace shall be passed, nor

(D) Conduct of such a nature as would, in the opinion of the Admiralty, merit a reduction in the rate of Retired Pay, such as would have been made under the Regulations for the time being in force relating to the retirement of Royal Marine Officers for misconduct, had the Officer concerned been retired from the Active List on account of the conduct in question.

NOTE.—In cases falling within Clause (D) the Admiralty have power, at discretion, to make a reduction in the Retired Pay of the Officer concerned as they would have had if he had been on the Active List at the time of such misconduct, and subject to the Regulations for the time being in force relating to the retirement of Royal Marine Officers for misconduct on account of the breach of discipline or misconduct in question.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(Under the Provisions of Orders in Council of the 13th May, 1901, 11th February, 1913, 5th July 1918, 1th February, 1921 and 10th August, 1921).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, or pension, when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts:—

<i>When employed on combatant duties.</i>	£
Flag Officers, Commodores, and Officers of the same relative rank	40
Captains and Commanders and Officers of corresponding relative rank	35
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank	30
Sub-Lieutenants and Officers of corresponding relative rank	25
<i>When employed on non-combatant duties.</i>	£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (e.g. during annual Manoeuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years:—

To all Officers below the rank of Lieutenant	£ 4. 0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	13 10 0
To Commanders or Officers of corresponding rank	14 10 0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

- The pay is the same as would be given if called out during war or emergency, except the Bonus.
- Travelling expenses of Officers attending the Courses are allowed.
- Plain clothes may be worn, and no allowance for outfit is given.
- Accommodation, when available, will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-Officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

Officers on the Emergency List are not eligible for promotion when not employed, except as stated below:—

Sub-Lieutenants are eligible for promotion to the rank of Lieutenant after attaining three years' seniority, or on completion of two years' service after being "called out," including service prior to resignation, whichever is the earlier date.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out," including previous service as Sub-Lieutenant.

Mates and Acting Lieutenants (ex-Mates) on the Emergency List to be eligible to be advanced to the rank of Lieutenant (confirmed) as from the dates on which they would have been due normally for that advancement on the Active List and, in the case of Acting Lieutenants, who have not completed their courses for the rank of Lieutenant with their acting seniority, provided that, to be eligible for promotion before attaining three years' seniority as Mate, Officers must have

(a) served not less than two years as Mate on the Active List,

(b) obtained a Watchkeeping Certificate,

(c) been recommended for promotion before retirement.

Mates (E) on the Emergency List who were promoted under the normal Regulations to be eligible for promotion to the rank of Engineer Lieutenant as from the dates on which they would have been due normally for that advancement on the Active List, provided that, to be eligible for this promotion before attaining three years' seniority as Mate (E), Officers must have

(a) served not less than two years as Mate (E), on the Active List,

(b) been recommended for promotion before retirement.

Acting Engineer Lieutenants promoted to that rank from Mate (E) under the special War regulations laid down in King's Regulations and Admiralty Instructions, Appendix X, Part V, section I, and placed on the Emergency List as Acting Engineer Lieutenants, to be eligible to be confirmed in the rank of Engineer Lieutenant, with their acting seniority, on completing one year's seniority in the rank of Acting Engineer Lieutenant.

Instructor Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Instructor Lieutenant-Commander on attaining six years' seniority.

Surgeon Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Surgeon Lieutenant-Commander on attaining six years' seniority if they be recommended by the Director General of the Medical Department of the Navy and have served two years at sea.

Paymaster Sub-Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Paymaster-Lieutenant:—

(a) On completion of two years' service after being called out, including service prior to resignation or

(b) on attaining three years' seniority, whichever is the earlier date.

Paymaster-Lieutenants placed on the Emergency List subsequently to 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Paymaster-Lieutenant-Commander on attaining 7 years' seniority if their records are satisfactory, subject to their having passed the necessary examination for the corresponding rank on the Active List where required to do so by the Regulations.

NOTE.—For List of Officers whose Commissions have been restored under these Regulations, see p. 2041.

REGULATIONS AFFECTING OFFICERS ON THE SUPPLEMENTARY LIST ENTERED UNDER ORDERS IN COUNCIL OF 29TH JUNE, 1895, AND 9TH AUGUST, 1898.

1. The Admiralty reserve to themselves the power of promoting any Lieutenant-Commander or Lieutenant entered under this scheme to the Active List of Commanders for distinguished service during war operations.

2. At the discretion of the Admiralty a Lieutenant on retirement may be granted such Honorary rank as may be considered desirable.

3. Pensions for Hurts and Wounds, Widows' Pensions, Compassionate Allowances to Children, to be at the same rate, and under the same conditions,

as those granted to Officers of the Royal Navy of corresponding rank.

4. Widows of Officers on the Supplementary List not killed in action, and who have not lost their lives in the execution of the service, who at the time of death had not five years' seniority as Commissioned Officers on the Active List, are eligible for the award of Gratuities, such Gratuities to be in every case less than the Gratuity that could have been payable to the Officer himself if he had been compelled by illness to retire from His Majesty's Navy instead of dying in it. (Order in Council, 7th March, 1899.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Application for entry from Officers now undergoing 12 months' training, who may be eligible under the above regulations, will not be considered until the applicants have performed three months of the period of training. Selected candidates will be required to undergo a medical examination.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

In the case of Officers who may not have fulfilled the service required by the Regulations of the Board of Trade for examination for Master, promotion will be subject to their passing an examination to be held by the Board of Trade.

Lieutenant-Commanders and Lieutenants on the Supplementary List will be eligible for promotion to the rank of Commander in cases of very exceptional service.

The rates of full pay will be the same as for Lieutenant-Commanders, Lieutenants and Sub-Lieutenants, R.N., and Sub-Lieutenants on the Supplementary List will receive a messing allowance of 1s. a day in addition. It is contemplated that continuous employment on full pay will be found for all Officers entered on the Supplementary List except when they may be on half pay either through misconduct or at own request, or when

full pay shall have ceased in consequence of sickness. Half and Retired Pay, and gratuities, will be at the rates laid down for Officers entered on the Supplementary List under earlier Orders in Council. The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of 30*l.* will be given to Sub-Lieutenants and 40*l.* to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance while in such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

Officers on the Supplementary List who perform meritorious service during war or who specially distinguish themselves in action will be eligible for transfer, at the discretion of the Admiralty, to the general list of officers of the Royal Navy in vacancies, and if so transferred will be allowed to count the service which they were entitled to count when on the Supplementary List.

ALMERIC FITZROY.

COURSES FOR SENIOR OFFICERS

I.—*Senior Officers' War Course.*

1. These courses (for Officers on the Active List only) are held at the War College, Greenwich, in the spring and autumn, each lasting about four months. They are intended chiefly for Captains, but are open also to Commanders and Flag Officers. Applications for the course are to be addressed to the Secretary of the Admiralty.

2. The course deals with strategy, tactics, and command, and cognate subjects.

3. No examination is held in the subjects included in the War Course.

4. The emoluments of Officers taking the War Course are as follows:—

Captains and Commanders.

(a) Full pay of rank.

(b) Lodging money, if not accommodated.

(c) Provision allowance, if not victualled.

Flag Officers.

(a) Half pay of rank.

(b) Lodging money, if not accommodated

(c) Special allowance of £2 per day.

5. Two Military Officers, nominated by the War Office, will be attached to each War Course.

6. Plain clothes are worn during the course.

7. The Senior Officers' Technical Course in some respects constitutes preparation for the War Course, and, as a general rule, Officers taking the War Course should have been through the Technical Course within the previous six months.

Officers wishing to take the War Course should therefore apply for both Technical and War Courses, which will, as far as possible, be arranged to run consecutively.

This rule will not apply to the Autumn War Course in 1920 but will be generally adhered to for subsequent Courses.

II.—*Senior Officers' Technical Course.*

1. These courses are held at Portsmouth. They supply the latest information respecting the de-

velopment of weapons and communications, and intended primarily for Captains prior to their

(a) assuming command afloat,

(b) taking a War Course.

Applications from Flag Officers and Commanders will also be considered.

2. Each course lasts 9 weeks, and is divided as follows:—

"Excellent" 15 days.

"Vernon" (Torpedo, Mining anti-

Mining, and anti-Submarine) 18 days.

Navigation School 8 days.

Signal School 7 days.

Fort Block house 2 days.

3. Emoluments of officers are as given for the War Course.

4. The dates of courses are promulgated from time to time in Fleet Orders, with instructions as to forwarding applications, which are to be addressed to the Secretary of the Admiralty.

III.—*Army Senior Officers' Course, Woking.*

Two naval officers of the rank of Captain are attached to each course held at the Senior Officers' School, Woking, for Majors before promotion to Lieutenant-Colonel. These courses last three months each, and three courses take place in the year.

Applications to be attached to these courses should be addressed to the Secretary of the Admiralty. Preference will be given to officers who have recently taken the War Course, and are of under three years seniority.

IV.—*Military Staff College, Camberley.*

Two naval officers of the rank of Commander are attached to each course held at the Military Staff College, Camberley.

The course, which commences in January of each year, lasts approximately 12 months.

Applications for this course should be addressed to the Secretary of the Admiralty. Preference will be given to officers who have completed one year at sea as Commanders and who hold the qualification of "100" or "90."

ROYAL NAVAL STAFF COLLEGE.

1. The Royal Naval Staff College trains Officers for War Staff Duties.

2. One course is held each year, starting on 1st October. It is open to Commanders, Lieutenant-Commanders, and Lieutenants between the ages of 34 and 44. Officers of Dominion Naval Services are also eligible, as arranged by the Governments concerned.

3. Instructions as to the method of applying, with dates on which applications are to be sent in, are promulgated by Fleet Order. Applicants who are not selected are not debarred from applying for

subsequent courses, but, on the contrary, are encouraged to do so, since rejection in many cases is due to the fact that an Officer cannot be spared from his present duties, or similar reason, and does not necessarily imply unfitness. Fresh applications, however, are required for each course.

4. The course consists of English, Duties of a Staff Officer, and the study of Strategy, Tactics, and Command.

5. Two Officers each from the Army and Air Force are attached to each course.

SECRETARIES' COURSE.

1. These courses are held at Portsmouth. Two courses take place each year, starting in February and August, and lasting four months.

2. They are intended for Officers of the Accountant Branch who wish to qualify for Secretary, and Officers who have undergone the course will receive preference in recommendation for appointments in that capacity. Officers who have served, or are now serving, as Secretaries, and wish to be considered for further employment as such, should also undergo the course as opportunity offers.

3. The method of applying, and dates by which applications should be received, are promulgated by Fleet Order.

4. The course consists of:

(a) Functions of the Secretariat.

(b) Office Organisation and Procedure.

(c) Naval Law, Military, Criminal and elements of Commercial Law.

(d) Courts Martial.

(e) International and Prize Court Law. Merchant Shipping Act.

(f) Economics.

(g) Cyphering and Confidential books

If only acting in the rank, they shall rank and command after Officers holding the corresponding confirmed rank, and in relation to each other shall rank and command according to the

order in which their names stand in the Official List of the Officers of the Royal Navy unless the Admiralty may otherwise direct.

6. Officers of the Non-Military Branches shall rank with each other and with the Officers of the Military Branch, the Royal Marines and the Army in the order given in the following table, and shall command in the same order the Officers and men of their own Branch as well as those of any other branch or of the Royal Marines who may be appointed or detailed for duty in their respective departments or placed under their orders by superior authority.

7. Officers on whom a step of temporary or local rank has been conferred under the provisions of Order in Council of 21st November, 1855 shall, subject to the provisions of Clauses 5 and 6, be entitled to take command and precedence and to enjoy all the privileges and emoluments of the rank in which they are acting.

10. All Officers of the Military Branch are liable to be called upon to perform Navigating and pilotage duties in His Majesty's Ships, but the additional pay to Commanders, Lieutenant-Commanders, Lieutenants, and Sub-Lieutenants for the discharge of such duties, is contingent on their having passed the necessary examination in Pilotage.

11. Lieutenant-Commanders, Lieutenants and Sub-Lieutenants appointed for Navigating duties are to take a share in the ordinary duties of the Ships, such as watch keeping, acting as Divisional Officers, &c., but this participation in the ordinary duties is not to interfere with their special navigating duties and is to be arranged at the discretion of the Captain.

The Order in Council provides that they shall not be eligible to take command of His Majesty's Ships, and that in all details relating to the duties of the Fleet and to the discipline and interior economy of His Majesty's Ships they shall be subject to the authority of any Officer who may be in charge of the Executive duties of the Ship, or acting as Officer of the Watch, or specially detailed for the charge of any other special service or duty, of whatever seniority such Officer may be.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, see p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedence of Naval and Military Officers in command of His Majesty's Forces:

- a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

- b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

- c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, and for the purpose, they will not override the precedences which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

1. Officers of the Royal Indian Marine, Royal Naval Reserve, and Royal Naval Volunteer Reserve, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given: *e.g.*, Lieutenants R.N. rank before Lieutenants R.I.M., Lieutenants R.I.M. before Lieutenants R.N.R., Lieutenants R.N.R. before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Sub-Lieutenants R.N., whatever their seniority may be.
2. Officers holding acting rank, rank immediately after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.I.M. (confirmed).
3. Lieutenant-Commanders R.N.R. are, however, subject to certain restrictions as regards the exercise of executive authority (see page 2410).
4. Royal Naval Volunteer Reserve Officers are not to assume any Naval command or authority whatsoever, unless ordered to do so, by a superior Naval Officer. (Art. 172, K.R. & A.I.)

PRIZE MONEY.

GEORGE, R.I.

Whereas Her Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th September, 1800, to regulate, according to the Scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, &c.:

And whereas by an Order in Council, dated the 28th August, 1914, We were pleased to cancel the system of distribution described in the above-mentioned Proclamation as regards Prizes captured from the enemy, and to declare that in lieu thereof it was intended to substitute a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Our Naval Forces:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of

Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives.

Given at Our Court at Buckingham Palace, this Fifteenth day of August, in the year of Our Lord One thousand nine hundred and eighteen, and in the Ninth year of Our Reign.

GOD SAVE THE KING.

REGULATING THE DISTRIBUTION OF PRIZE MONEY TO THE FLEET.

GEORGE R.I.

WHEREAS by the Naval Agency and Distribution Act, 1884, it is provided that money distributable among the Officers and Crews of any of Our Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

And whereas We were pleased by Our Proclamation of the 15th August, 1918, to order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the said distribution shall be made in the shares and proportions hereafter mentioned at such time as the Admiralty may determine to those members of Our Naval and Marine Forces as aforesaid who have during the present War performed service at Sea in Our Ships and Vessels of War in accordance with the following Regulations or in case of their death to their representatives:—

1. Service at sea shall be defined as having been borne for service at sea on the books of a seagoing Ship of War which goes to sea or on the books of a parent Ship for service in armed seagoing tenders.

2. Offensively Armed Auxiliary Vessels serving with Our Fleet shall be deemed Ships of War, including Armed Boarding Vessels, Trawlers, Drifters, and Vessels of the Auxiliary Patrol.

3. In any case of difficulty the Lords Commissioners of the Admiralty are empowered to determine what Vessels or Classes of Vessels shall be regarded as Ships of War for the purposes of the distribution and what nature of service afloat shall be considered as sea service and harbour service respectively.

4. As regards Our Royal Naval Air Service, trained Pilots and Observers, the crews of Our Naval Airships and others who have had to fly continuously at sea shall, while borne on the books of one of Our Ships and attached to a Naval Air Station, be considered to have been performing service at sea, but no service at a Training Establishment or while employed on shore for service with Our Army or the Armies of any of Our Allies shall be so considered.

5. Participation at the full rate shall be allowed to each individual Officer and Man who has performed service at sea as above defined for a period of not less than 30 months between the 4th August, 1914, and 11th November, 1918, or such later date as may be fixed by the Lords Commissioners of the Admiralty, to cover the cases of Officers and Men taking part in subsequent hostilities at sea. For lesser periods the rate shall be proportionate to the number of months so served, one month to be the minimum period of service at sea to qualify for participation, and final broken periods of 15 days or more to count as one month, but no one who shall be qualified to participate in the distribution shall be allotted a less amount than £1.

6. The maximum rates which could have been earned to be allowed, irrespective of actual time served at sea, in all cases in which, before completion of the qualifying period, Officers and Men lose their lives in action or by other casualty whilst on service at sea, or either die, are invalided, or are certified as medically fit for shore service only, as a result of wounds or injuries so received.

7. A similar rate to be allowed in all cases in which Officers and Men die or are invalided on account of disease attributable to the Service, provided that at least ten months of the qualifying period has been served.

8. Prisoners of War captured, under circumstances which cast no reflection on themselves, whilst serving afloat or disembarked from seagoing Ships of War for operations on shore, shall receive the maximum rate which could have been earned, irrespective of the time served at sea.

The cases of individuals interned in Neutral Countries shall be decided by the Lords Commissioners of the Admiralty.

9. Each individual shall be allotted the number of shares, according to the scale appended, due to the rank or rating in which he has served at sea, and if in more than one the number due to the higher, provided that such rank or rating has been held during service at sea for at least six months (including paid acting time), and that any subsequent reduction or reversion has not been due to misconduct.

10. Commodores and other Officers serving as Chief of Staff or Captains of the Fleet shall share as if they were in command of a Squadron or Ship.

11. The Officers in command of Motor Boats and Launches shall receive the shares of Officers of their rank not in command.

12. All persons temporarily employed in Our Naval Forces shall share in the classes to which the ranks or ratings to which they are temporarily appointed may belong or be deemed equivalent.

13. Supernumerary Officers and Men doing duty on Our Ships and Vessels of War shall share according to the Ranks which they hold in the Service.

14. No person who has incurred forfeiture of Prize Money under the Naval Discipline Act, or who is discharged from the Service for misconduct, shall be entitled to share.

15. In the event of any difficulty arising with respect to any of these Regulations, or if any case should occur not herein provided for, the Lords Commissioners of the Admiralty shall be competent to issue such directions thereon as may appear just and expedient.

The distribution is to be made so that each Officer and Rating entitled to participate shall receive shares according to his class as set forth in the

following scales - the relative ranks mentioned being those laid down in the Regulations and Instructions for the government of Our Naval Service, the Instructions for the government of the Coast Guard Service and the Regulations for the government of the various classes of the Reserve, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty:—

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing poverty and vicious in morals.

In the Female Orphan Home there are 140 girls entirely dependent on the funds of the Charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 23 girls partially maintained by Greenwich Hospital funds and 4 under the Royal Patriotic Fund.

There is also another small Home in Clarendon Road, Southsea, where 20 children from 7 to 17 are received.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service and such other occupations as the Directors from time to time deem advisable. A few girls will join the Secondary School for further teaching, and some are attending the Higher Education Classes outside the Home.

There are 44 boys (to be increased to 50), maintained from the Funds of the Home, at Swanley Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

THE object of the Home is to provide for the fatherless children of our Seamen and Marines, and ensure them a practical training, including all household and laundry work, under a capable Matron, with a view to domestic service. Every effort is made to secure good situations for the girls on leaving the Home.

If any girl shows a particular aptitude for special work outside domestic service she is given her chance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary School, at the expense of the Funds, have been instituted.

On 31st December, 1918, 43 girls were maintained in the Home and 2 at the Royal Sailors' Orphan Girls' Home, Hampstead; 6 of these girls are partially maintained by Greenwich Hospital Funds. In addition, 19 boys were maintained at Swanley and other Homes.

All denominations are accepted and orphans of men of the R.N.A.S., R.N.R., and R.N.V.R., who have lost their lives whilst on duty in the Royal Navy, are equally eligible with those of men of the Royal Navy and Royal Marines. Age for admission 5 to 12 years.

The Home is governed by a Committee of officers and men, who earnestly invite visitors to view the Home.

The extent of the good work of the Home depends on voluntary contributions, and all donation will be gratefully received. Donations should be sent to the Hon. Treasurer and all correspondence to the Hon. Secretary, addressing in both cases to the Royal Naval Barracks, Chatham.

GEORGE GUTHRIE'S FUND

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund has been settled in trust as a Memorial of Lieutenant **GEORGE WATSON GUTHRIE, M.B., C.M.**, of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. Dr. Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chill and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

It is estimated that the Fund will produce an annual free income of about £1,000.

The Trustees are Sir JOHN STRUTHERS, K.C.B., Scotch Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C. Edinburgh; Mr. E. H. F. BRADBY, Solicitor, London, and Professor HARRY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from the cessation of hostilities in the present War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post-graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and it is not their present intention to lay down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases from officers commanding military units, and from others interested.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street Edinburgh.
